I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: Compounded Medication I use is necessary
for my condition. I have tried numerous
synthetic medications that do not work well for
me. I Strongly Oppose this!
